	SI-Milwaukee Quality Improvement Workgroup recommends that policies and	米	
	ees of the SSI program be guided by the following core principles:	米	
*		米	
米 1.	Care management is member-focused, outcome-driven, and known for its timely	***	
*	and caring manner of delivery.	米	
*		米	
2 .	SSI program policies and services reflect recovery-based principles of care.	*
